September 11, 2020

Hello Rosholt Families:

Our school district's Food Service Program is again able to offer free meals starting on Monday, September 14 up through December 22, 2020*, for all Rosholt children 18-years of age and younger. This is being funded through a grant from the US Department of Agriculture. Please see the [linked information sheet](#) for additional details. Students attending school in-person do not need to sign-up. Students attending from home or younger than school-age children do need to apply using [this form](#). We recommend that families leave the funds already place in meal accounts there for Winter 2021 when the free meal program ends.

On a separate note, the [linked video](#) that was shared with our Board of Education earlier this week has many pictures of students and staff from the first week of school. I hope it brings a smile to your face and warmth to your heart. I am so proud of our school community for their can-do attitude and amazing hornet spirit.

I have included the URLs down below in case you cannot access by clicking on the linked words above.

Have a great weekend!

Take care,

Christopher Thompson, EdD
District Administrator
