

Certified Staff Application Process

Applications are only accepted when there is a position vacancy.

If you have checked the employment listings and there is a vacancy for which you would like to apply, please complete an application form and return along with a paragraph stating your qualifications for the position for which you are applying. Please include the following items with your application form:

1. Resume
2. At least three letters of reference
3. Grade Transcripts (photocopy acceptable)
4. Teaching License (photocopy acceptable)

Applications must be received by the date indicated on the posting. Applications may be downloaded using the link to the left, or you may call 715-677-4542 to request an application form.

The District usually receives a large number of applications, many from highly qualified individuals. Please understand that this makes the selection process difficult and that all candidates cannot be interviewed. Therefore, if you have not been contacted for an interview within one week of the posting closing date, you may assume that you were not selected for an interview.

If you need accommodations for accessibility during the application process, or have questions about the application procedure, please call 715-677-4542.

Applications should be returned to:
